

## WHY PUSHING DAISIES, YOU MIGHT ASK?

---

*Because the translation of the word margarita is “daisy” in English and Pushing Daisies is where friends come together with one thing in common: their love for tequila, that sweet liquor from the south.*

## MARJORIE'S CLASSICS

Legend has it, Marjorie King, famous Ziegfeld showgirl, wandered into Danny Herrera's bar in Rosarita Beach in either 1947 or 1948 (he can't remember which). She explained her fondness for tequila but she had trouble drinking it straight. Herrera started experimenting and she approved of his concoction: 3 parts tequila, 2 parts orange liqueur, and 1 part fresh lime. Boom, the Margarita was born.
